

Dual Enrollment

The Dual Enrollment Program is a partnership with local colleges. Dual enrollment enables the eligible high school student to take courses at these local college campuses and earn BOTH high school and college credit at the same time. There are no college fees for this program, but you will be responsible purchasing the books for each course, and each college has their own entrance requirements.

Eligibility involves meeting some of the following requirements. Each college has different requirements, and requirements are subject to change. Contact the local college regarding the requirements and forms needed. Following are some common requirements:

1. Score a 440 SAT (Scholastic Achievement Test) SCORE IN VERBAL & MATH, (subject to change) **OR**
2. 83 CPT (College Placement Test) SCORE **AND**
3. Have a 3.0 GPA (Grade Point Average) UNWEIGHTED (which means no classes that can get a grade above a 4.0)
